

Name:

Date:

Miles and Jordan tossed a die 20 times and recorded the results in the tally chart below.

Number on die	Number of tosses	Total tosses
1		4
2		2
3	 	
4		
5		
6	 	

- Fill in the missing numbers in the Total tosses column.
- What number did Miles and Jordan toss most often?
- Miles and Jordan are playing a game. They toss the die 20 times and record the results. Miles gets a point for each odd number they toss on the die. Jordan gets a point for each even number they toss on the die. Who won this game? Explain your answer.
