### Favorite Pets

Arnie asked his third grade class about their favorite pets. He made a tally chart to show the results.

Pet	No. of students	Total
cat		
dog		
bird		
fish		
hamster		
iguana		

- Complete the table above.
- How many students are in Arnie's class?
- Which pet is the most favorite?
- Which pet is the least favorite?
- Make a bar graph of the results of Arnie's favorite pet survey.
